

Purrfect Fold for Quietfire Design

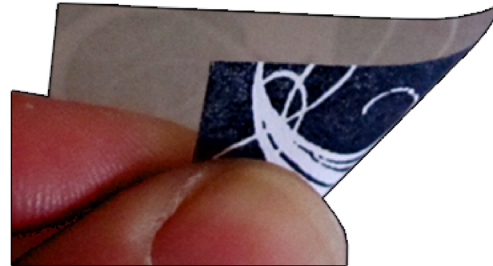

Stamp QFD's tag stamp from the Flourished Flight plate 8 times.

Trim the tags as above, using only the rectangle portion for the following

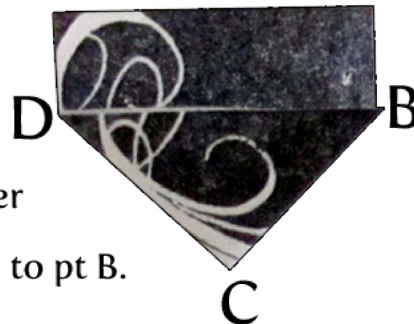

1. Color side down, place the tile lengthwise, note the position of the flourish

2. Fold right edge up to top edge, making sure your flourish is correctly placed, as above.

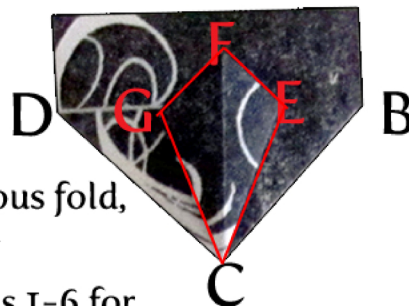

3. Turn tile over

4. Fold pt A up to pt B.

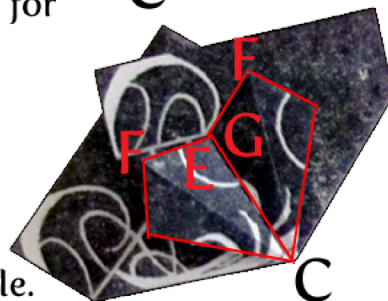

5. Fold pt B to pt D, using pt C as fulcrum

6. Open previous fold, and squash.

Repeat steps 1-6 for all 8 tiles.

7. To line up tiles, Slide D over B and under E-F, lining up C-E of left tile with C-G of right tile.
