Here are the benefits and expectations.

DESIGN TEAM BENEFITS

1. A Welcome Basket including Quietfire Rubber and other stamping related goodies!
2. Each month you will receive a \$30 gift certificate for purchase of the Quietfire Design Products you intend you use on your creations! Since we carry such a wide variety of items, I'm sure there is something you can use!!
3. Wholesale pricing on the rubber stamps and discounts on many other items.

DESIGN TEAM EXPECTATIONS

1. Monthly attempted submissions to **print** publications using Quietfire Rubber and/or products and quoting Quietfire Design as the supplier. These must be approved by the Quietfire Office before submission – a jpg is fine. If your design is accepted by a publication, Quietfire Design will not use that design until it appears in print.
2. Active posting to your favourite online groups and high traffic online galleries featuring Quietfire Rubber Stamps or products plus your own blog. A monthly list with links to those galleries is required. Joining the Design Team Yahoo Group is required.
3. In addition to monthly print submissions, you will need to complete at least 1 project/month for Quietfire Design detailing product list and instructions which can be used on the Quietfire websites and in the newsletter.
4. You may be required from time to time to feature a certain product in as a design challenge.

Please list design teams you have belonged to, applied for, or currently have commitments to.

Please list the online “homes” you hang out on (yahoo groups, forums, etc) and if you own a list or forum, how many members are there?
