

This pattern will fit on an 8 1/2" x 11" sheet of paper.

Fold lines are dots and dashes. Dots on shoe tops and bottoms are to match up when glueing together.

Cut the shoe bottoms about a 1/8" in, so they will fit inside the pattern, and on the bottom of the shoe as well. You may need to trim a bit.

Print pattern on the wrong side of the paper you are using.
